8 次の文を読み、後の問に答えなさい。

I would ① () to introduce my favorite music to you.

Have you ever heard of the Beatles? It is a rock group. There were four members in the group— John Lennon, Paul McCartney, George Harrison and Ringo Starr. At first a few different members joined and left the group. They are all from Liverpool, England. The group was formed in the late 1950s. They played a lot of live performances in many places such as Liverpool and Hamburg, Germany. They changed the world very much in the 1960s.

They made a *debut single called “Love Me Do” in 1962. It became a big hit. Their second single, “Please Please Me” sold better than the debut single. After a while they released their first album. It was the No. 1 hit for many weeks. In a short time they became very popular not only in the U.K. but also worldwide. Especially their *enthusiastic fans are called Beatlemania. The group was everything to them.

The group visited Japan in 1966 and played live performances in front of Japanese fans. Of course the tickets were all sold out very soon. But many parents and teachers said to their children, “Don’t listen to their music and go to the concert.” They thought their music was for bad boys and girls. But, in fact, there were many young people at the concerts. They had a very good time there.

In the same year they ② () up playing for live performances. They were too busy and very tired. After that they *focused on making records. Around this time John Lennon met a Japanese woman. Her name was Ono Yoko. She was born in Tokyo and moved to the United States to be an artist. One day he met her work ③ () “YES Painting,” and was interested in her. Later they fell in love, and got married in 1969.

When they finished their last album, “Abbey Road,” ④ (losing / each / the friendship / they / with / other / were). They were all tired of being in the group and ⑤ () their time together. Finally they decided to *disband it in 1970. Many years have passed since the world lost the group. And two of the members, John Lennon and George Harrison, are dead. But even now many people around the world love the Beatles. They still have a great influence on the world.

This is a story about my favorite music. I hope you will like their music.

* debut : デビュー * enthusiastic : 熱狂的な * focus : 焦点を当てる * disband : を解散させる
